

Student Online Registration

Alberta Debate and Speech Association

Membership

Individual Membership

In addition to the Institutional membership, students must also purchase Association memberships in order to participate in workshops, tournaments, and the regional and provincial championships. The fee is \$20.00 for each student. No student without a membership will be allowed to attend any ADSA sponsored or sanctioned event, and memberships can only be purchased in advance.

Individual memberships are a two part process:

- 1. Registration:** Registration is done online at https://pages.sumac.com/sumac/sumac_start_new_session.php?package=singleform2&userfolder=../ORG/albertadebate&formname=Student%20Registration%20Form. We highly recommend that students register under supervision in the classroom so that Coaches will know that their students have registered correctly. If using one computer, please ensure that the browser's history is cleared and the browser closed and then opened again between each registration. (Otherwise, everyone will be registered under one student's name.)
- 2. Payment:** Students must pay their \$20.00 to their Coach. The Coach then sends one cheque to ADSA. The ADSA office will post a current list of registered students to Coaches' Corner on a weekly basis so that Coaches can see who has registered and request a cheque from the school to be sent to the ADSA Office.

Demystifying the Online Registration Form

The online registration form connects directly to ADSA's Sumac Database, making it easier for the ADSA Office to enter and maintain student information.

When students register online, it is important that the form is filled out correctly because the parent/guardian will automatically be sent an email with the Code of Conduct and Permission/Waiver form.

Student Registration Form

Cost of Individual Membership is \$20/yr. Please submit all personal cheques, sent directly to the office, will be

Student Email *

Cancel

If students are using the same computer to register, and the contact Information page is not showing, please clear the browser's history and then close/re-open the browser in between students. This will ensure that students will be registered separately.
(It should not happen, but this is just in case.)

Student Registration Form

Cost of Individual Membership is \$20/yr. Please submit this sum to your Debate/Speech coach who will send ONE consolidated school cheque to the ADSA office. Cash payments or personal cheques, sent directly to the office, will be returned to the recipient.
